Overlooking the turquoise waters of the Andaman Sea, Amanpuri's Eight Bedroom Ocean Villa offers large groups the chance to reconnect in a secluded location with dramatic views across the water. Eight separate king-sized bedrooms provide a place to find peaceful tranquillity, while generously proportioned open-air living and dining salas, a large central swimming pool

and a courtyard create a place where guests can gather.

While outdoor living is celebrated, the villas also offer large, elegantly appointed interiors with spacious living and dining rooms alongside a dedicated chef specialising in home style Thai cooking. A dedicated housekeeper is also on hand to ensure a seamless stay.
