ОБ ОБЪЕКТЕ

Коротко и по делу

*An Exceptional House*The house in the prestigious Laguna Homes has a large balcony overlooking the widest section of the klong (little canal), golf course, Cherngtalay hills and a most colourful sky at sunset. It is surrounded by a landscaped garden both in front and back. The front too has an open view. It has a large living/dining room upstairs that opens up to the balcony and a living/study room downstairs leading to a spacious verandah/bar, swimming pool area and a beautiful Sala. It stands on a plot of 904 sqm and an additional 50 sqm passage to the klong is also under the care of the owner. The covered area is over 500 sqm. It consists of a large bedroom and bathroom upstairs and two en-suite bedrooms downstairs plus the living/study room that can be used as a bedroom. The Sala in front and the driveway can accommodate three cars. It is fronted by a low level curved wall that does not obstruct the view of the lovely garden. The electric door is in proportion to the wall in size. The house, completed in 2002, has been upgraded constantly. About five years ago, the entire Thai roof was replaced with a much more
